

Holmes

Boston, March 20th
1891

Dear Mr. Zerkow,

You are very good
to send me these wonderful
reproductions of the Columbus
letters. I know such fac similes
have been often made, but
these are masterpieces.

If I ever make an album book
I promise you a copy of it in
recognition of your repeated
acts of public attention.

Hoping that you will not be
impatient for that possible volume

Yours very truly

J. W. Holmes.
