

My Dear B,

The pencil note in C Lamb's  
scrap is my Father's — The Wilkes  
Catechism will perhaps be acceptable don't  
lend it it is the only duplicate I have  
been able to find. I have the three in  
boards which my father bought some  
years ago. and my mother has a set  
which are the only copies in the family  
and they are daily getting scarcer

I have obtained till next Friday

Yours truly  
Alf Wone
