My dear Sir

I am very much
obliged for the pretty
Cephalopoda you have sent
as also for the critical
European Taripalis which
are all very acceptable.

I will go to Mauld &
Polkbank & see if I can
get at the photographs of
Newlan, mine is not
mounted & framed, so that
I cannot get the number
from it.

I am glad that you

have cleared up the
doubt about *Leucidea*
Caradocensis.

The *North West* is
coming 2 days & spend a
few days here.

Very truly
yours

J. S. Huxley
