

Telephone No. 3513.
Gerrard.

25, Cavendish Square,

June 30th 1902 ^{W.A.}

My dear Mr. Helmer ^{M.D.}
Very many thanks
for your kind Congratulatory
I fancy under the
former regime my
scientific work barred
the way and it is a

distinct satisfaction
to know that - we
Stephen Coleridge &
his friends will be
much annoyed to
see that this is no
longer the case

With very kind regards
& renewed thanks.

Sincerely yours
Victor Horsley
