

302 Beacon St.,

Boston, Nov. 11, 1884.

Dear Mr. Cary:

I wish you would kindly hurry forward the proof of my Hebrew copy installment of the story.

I like if possible to see a revise, and if the part is in type you might as well let me have a long time on it - as the printer.

Yours sincerely

W. St. Wells.

P.S. - I hope to send the March installment to-morrow or next day.
