Dear Browning

Saturday next is the day,
as that I am not to have given
it you in my last! - I go
by an early train, but if you
go by train either the

12.40. & C + down from Subjete
Hill - or

the 12.40. & Brighton & St from
Victoria

will do for you - but
(happy thought!) don't come
by train but write a line
