

David Hume
1745

478.

Sir

Your Friend is in a great measure recover'd of his Pain; but
still weak & low; so that it may be some days before he chooses to see company.
If I find him well, I shall send in the Chaise on Friday, unless you counter-
mand it. I wrote you on Saturday last. This comes by a Servant, whom
we have sent to Town.

Monday. 10 a clock.

W. B.

Sir James Johnston Bart.
