

April 9th 1891
229 Sixty Fourth Street West.

My dear North We are so very sorry
if Mrs North goes back to Summit
without our meeting her. Wait for
Orie she is here on Saturday -
or Sunday - evening. Mrs. Patton
is confined to the house, but she is
well enough to see you. Give an
agreement for Monday Tuesday &
Wednesday evenings next. But on
the 11th or 12th will be my happy
#

I have you under our own roof.

In new death - work to
show you, & other things which I
am sure will interest the both.

Yours ever yours
