

Jackson (Helen Hunt)

Dear Mr. Ward,

Would
you like this bit of
news? -

I stop now a while
in the rush of my story,
I take a time at
my old trade - to keep
my head in.

When will you come
up again? I wish
you ate lunch like
other people - and would
come & take it with
me. —

The aroma of that
Chaldia book haunted
me for days.

If I were not
too busy, I should

wrote a poem,
"The Chaldean"; - born
of that book.
