

JOHN KENDRICK BANGS
CAPE NEDDICK
MAINE

September sixteenth
1910.

My dear Mr North:

The verses are published by Messrs Sherman, French and Co., of No. Six Beacon St., Boston. I fancy they can supply you with the two copies you desire provided you give them ample notice of your desires so that the Edition may be run off gradually.

What is this game of Golf to which you refer in your note? Is it anything like Muggins, or Checkers?

With cordial regards,

Ever yours,

John Kendrick Bangs
