My Dear Lilley

I have to-day left a
presentation copy of my auto-
-biography for your acceptance
- at the Garrick Club. If you
wish it sent down, I daresay a
note from you to the Secretary,
will meet his immediate
attention. I am sorry to say
that your half-jest about my
ceasing to be a Member here,
will be a source of great
mortification to me; for
the world has not used me
as it has you, & I must
submit to some painful

consequences, of which this
will be one - I am one
of the few founders remaining &
had hoped to keep on &
enjoy the convenience, however
infrequent.

Continuing to entertain
a very warm & sincere regard
for you

Believe me
Very Dear Sir
Ever yours

M. Landon

A line to Bushy Heath to
say you have rec^d. This
will oblige me. As early as
possible I will replace the
offt at the Bank Branch
