

Oxford

Oct. 1. 1874

Your Sir,

I shall be happy to  
enter your son's name for  
admission at Balliol College  
He can come into residence  
if he passes the entrance  
examination, whenever you wish.  
But I fear that I cannot go  
to my room in College until  
October 1876.

I enclose two papers on  
Memorandum respecting admission  
at Balliol; the other the

Scholarships & Exhibitions. The  
conditions of eligibility are always  
the same and the time of  
which a process notice will  
be advertised hereafter, is  
with a day or two the  
same every year.

I remain

Yours very truly

B. Jewett
