Dear Decker of Aoyth.

Have been seldom
more pleasantly surprised
than by your most kind
letter. Believe me, there
are few persons in the
world whose good opinion
I value more than yours
I the Duke. I the letter
came at a moment when
I needed and helped

Much a weary heart &
brain.

It's return safe - I feel
glad - from my town in
America - how glad should
I find myself meeting you
again.

Mr. Kinsley is not
with me: as he would
join with me in thanking
you - Believe me

Dear you most grateful servant

Kinsley
