Dear Mr Munday

Thank you very much indeed for your most kind offer
of honorary membership
of the Mount House Club. My wife
and I would have been delighted
to accept it, if there were
any chance of our being able
to avail ourselves of it. But
being as we do part of the year,
on the wrong side of London
and spending so much of our
time abroad I am sorry

to say that we could scarcely
hope to get up to Tewkesbury
at any time.

Will you please thank your
advisory Council and tell them
how sorry we are.

Sincerely yours
Rudyard Kipling.
