Dear Lady Cave,

Any time until Sep 4  
when I go away suits us  
equally, so I think you can  
still come. I can see you are  
a great artist, but this merely  
makes you more like me than  
ever as that is what I meant  
to be in my school days and was  
only bugged by always losing  
my paint box. Your friend  
J. B. Barrie
