

L. Menborough

1813

Lord Chief Justice  
KB

Lord Menborough's Com<sup>rs</sup> to Mr Hobbs  
he has just returned from visiting  
Claremount, which he had no  
opportunity of visiting till today  
he is much pleas'd with the  
house, the beauty of the Park  
- but every thing exhibits the appearance  
of expence, with very little profit  
in return. Mr Webber the  
Bailliff was very civil in going  
over the pleasure grounds <sup>Sandy</sup>

with him, and giving him all  
the information he asked.

If Mr Robins will give Lord Ellenborough  
a call at his leisure <sup>Lord</sup> ~~he~~ will  
be glad to learn further particulars  
of him, & to communicate with  
him on the subject - but he  
much fears that the idea which Mr  
Robins he may entertain on the  
subject will not correspond in the  
article of price -

often in it. Lord E.  
wishes to have a
