Dear Sir

12/21/26

I was delighted with
the two numbers of Travel that came
on to me, with my Mexican Sketches.

I enclose cheque for five dollars -
will you please send me Travel
for a year, starting with
the October number this year.

The Mexican Sketches are
being published in a book, &
the publisher thinks of adding
illustrations. Some of your

and

reproductions that accompany
my sketches, particularly in
the November number, are
splendid. Would you allow
me to re-print these
photographs - or some of
them - in the book - which
will be called Mornings
in Mexico - pub. by Martin
Secker in London, & Alfred
Knopf in New York.

I shall be glad if you will
let me know about this.

Yours sincerely
