

The Mus. Nov. 11. 1857

My dear Sir —
Since my return home
I have not managed to
find an "autograph"
of Sir Walter — I doubt
not I shall be able to send
you one or long and
meantime I send two
or three of other less
distinguished men

still sufficiently so
perhaps to admit them
into your Sister's collection

Believe me

Very truly yours

A. M. Lockhart

The "Autographs" are
those of ^{Lord Douglas of Douglas.}
Archibald late Representative
of the "Black Douglas" —

The present Sir Howard Douglas

Miss Jane Porter the Authoress

The present Prince Esterhazy

The present P. Arundell of Wardour.

John Gibson Lockhart

The present Earl of Arundel & Surrey
