Dear Canon Westcott,

By post I have the  
pleasure of sending you  
copies of the first two  
volumes of "Epochs of Church  
History" edited by Canon  
Creighton. You will  
remember that you  
kindly allowed me  
to consult you about

this scheme when I first  
thought of it. I hope  
that the way it is  
being carried out under  
Canon Creighton will  
meet your approval.

I am, yours very truly,

C. J. Longman
