

Fir Cottage,
Ightham,
Kent.

April 10, 1905.

Dear Sir,

Will you pardon the liberty I take in asking you, if you would be kind enough to assist me in obtaining copies of some letters by Bishop Berkeley, which are among the Bernon MSS in the possession of Mr. Wm. D. Ely?

Governor Dyer, who kindly helped me in tracing the present whereabouts of these papers, advised me to apply

to you rather than troubling Mr.
W. D. Ely himself, who, I
much regret to hear, is not
always in good health. He has
however already expressed his
permission for the letters to be
published in a collection of
Berkeley's Letters which I
intend bringing out shortly.

Could you perhaps find
some one who could copy these
letters for me (they are in
French) at my expense? I
should be extremely obliged to
you, if you would kindly help
me in the matter.

Trusting that you may be
able to grant my request, and
apologizing for troubling you,

I am, Dear Sir,
yours very faithfully
Theodor Lorenz Ph.D.
