Dear Leonard Rees

a thousand thanks to you  
for printing that most  
generous, kindly, & comple-  
-tent review of my little  
book by Hearnshaw.  
I am very grateful for  
it, & I know you have  
gone out of your way  
in allotting so much  
space to a notice of  
so minute a publica-  
-tion. But it is very  
valuable for it says  
just the right things  
~~over~~ about a little  
work on which I have  
spent quite a lot of

KENSINGTON W.8.  
trouble, & will do much to  
make it known.

We were so glad to  
see you & Mrs. Rees  
the other night. We thought  
you were both looking  
well & you more in-  
-decently youthful than  
we.

Very sincerely Yrs  
Gidney Low

That is a very good article  
by Reginald M. Banks  
to-day!
