To Sir Henry Ellis

Colinton Hall Ashby de la Zouch

Aug. 6 1824.

Dear Sir,

I received your obliging letter dated June 12th with a packet of letters from George Norton & gave the books I find were duly sent, & I am very sorry I have given you so much unnecessary trouble.

I received also your most interesting Publication of Original Letters, which I am happy to have. As they do not appear by the Title Page to be printed for the Museum, pray inform me of the price.

You have probably seen two volumes ^{of letters} published by the late Dr. Warrington of Bath, & called *Nuga Antiqua*, they give admirably the ideal presence of the times in which they were written.

I have reason to think the Doctor had many

more letters & curious papers which probably are
now in the possession of the Family, I should
think it would be worth while to make some
enquiry after them.

I remain Dear Sir

Your obliged Servant

J. Beaumont.
