My dear Bishop of Durham

I do not think there is  
the slightest reason for refusing  
permission to Mr Vinogradoff  
to translate your 'Bible in the  
Church' into Russian. He  
seems to be a genuine student  
& divine whose efforts deserve  
every encouragement. I

return Mr Bradley's letter & am

yours very truly

George A. Macmillan

The Right Rev.

The Bishop of Durham
