

Mr Bartles,

11 Wall Street New York.
Monday Morning.

Dear Sir:

Will you have the kindness to inform
me if you are expecting me to lecture the coming
winter in Albany, & if so, at what date. I have
hitherto been unable to give any attention to the sub-
ject, & should therefore be pleased to have you name
a late day - Day last of January or 1st of February

Will you drop me a line to this office
(Care of Geo. P. Sargent Esq.)

& reply

Yrs respectfully,

D. G. Mitchell

The Subject I should probably mention - if a lecture were
desired, would be "A History & Description of Voice."
