Subject to your new book

W. C. Bennett Esq

65 Cheapside

London

Jan. 3, 1852

My dear friend - I write
this line in fear of your
leaving a house - This winter
you are better - & a surgeon
would be worse than any
thing - I continue in the
low state of miserable
helplessness & shall do so
suppose for weeks or months -
K: not yet put to bed -
Love to Mrs. Merritt
your own
W. Whitford
