My dear Mr. North:

So it seems you like my
"War Memories". I am glad of that. It is well
received by the press.

You say truly that you put us on the right
track for illustrations. As you like Jopson's
picture of "Carrying Colors aboard Transport at St.
Augustine," facing page 151, and would like to secure
the original, you can have that for yourself. I think
the originals are yet with the Scribners. If so you
can look this one up, and this shall be your warrant.

Yours sincerely
Alfred Crumbell
