IL PALMERINO,
MAIANO, S. CERVASIO
FLORENCE.

Dear Sir -

I am sending you
herewith a paper on
Nietzsche. It is a portion
like the one on Herkin,
of a chapter of my
forthcoming book on
Contemporary influences.
The usual clause, *Nietzsche*
has I reserve all rights.

The Editor of
The North American Review

H. PALMERINO
MILANO, S. GERARDO
FLORENCE

of publication in
volume shape.

Did you never get
alike in which I
asked you whether
you would like
articles on contemporary
French subjects &
by the author of the
paper on the Congregation.

in the October No. of
McQuarrie's?

I at least never got
an answer.

also, in the case
of Ruskin, I never
had prospectus. This
would scarcely be
advisable with regard
to Nichols, on account
of the great number
of odd names.

I am, dear Sir,
Yours faithfully
H. Palmerino

She sends the editor of the North American Review an article on Nietzsche, and asks with some acerbity what he does answer her letters. She hopes she will get proof-sheets, which were not sent for her Ruskin article.
