BUSHEY,
HERTS.

June 11. 02.

Dear Miss Deighton,

I am extremely
kind of you! Alas, Nurse
Bridgwater leaves for
Rochester to-day, and I may
have to be in town to-morrow.

I've got an idea that
week-day evenings interfere
too much with your work.
Otherwise, on Wednesday
next Bridgwater and I
will both be here, and as
free and unappropriated as
the seats in church, I mention
it in case it should be
possible for you to have us
there, for we should like
to come. Sincerely yours
Barry Pain
