

from my beloved father, Mother - My fondest love
I have been & am engaged in selecting a few remem-
brances of Visit here - but if I fail it will be by too
great a wish that affords & what is meant as a
token of remembrance & affection will I am sure
not be otherwise viewed - even if not presented

My very dear Parent

Although I have a great hope that
I & this letter shall reach you on or about the same
B, yet I think it better just to write the few lines
and put them into the post - The Commission
being finally closed & sealed up - and our
passport being obtained (some new regulations
within the last few days has caused more
trouble to them who have to obtain them than
usual) we fully intend to start at
tomorrow Thursday noon & reach Cal
by Friday evening & hope to call on the first of
be the case that night coach & down
to dear home the evening of that day

advised - I have told dear little Sam - that do not
forget her - Hoping for all to see in a few days
that I shall be able to see in a few days
his noble hand able & delightful letter for
Kind love to your
Wm Wells

And indeed I do long most and earnestly
to see you all my beloved Parents &
Brother - but it is idle to be prof. feelings
which it is useless for me to express if you
do not give me an full and explicit credit
for without their utterance - for
my much loved father's most kind welcome
and interest & gratification received yesterday. I offer
my most warm & sincere thanks - I shall
hope to get the letter "dispatched for Water
probably" about the same time that speaks
of today - but it will be too late then
to send this by today's post to Calais -
I hope you will not expect my much in

my journal from it is not my good - I wish
it is however it by interest & interest from
be kindly disposed as for you & Iacob
For the information about the wife's
my many thanks as it interested me
and for your kindness about my not being
able to get home - Had it been
possible to have been there I should certainly
have striven hard to effect it. but
as you will see it was impossible
You think of you all at Lisbon
how ever today - but I am thinking still
more of my beloved Parents & Brother & oh
how I long & wish to see you all
and I indeed think of you as being
longer & longer the more affectionately
