

Frances Smith Widow
of Dr. Smith late
of Maidstone
Kent

Gouldens Hill, Doughton St.
9 November 1831.

My dear Friend

We are again quietly
settled at Gouldens Hill
and if you have no engagement
to prevent your joining our
family circle on Saturday
next for a day or two, it
will give us great pleasure

My sister Mrs Grosvenor, the
Aunt of your dear lamented
Friend is now with us, which
will prevent our having
the pleasure of any of our
Village Society to meet you
as we cannot yet induce
her to see any Company

We heard from M^{rs} Smith
yesterday she is quite well,
and the dearest little girl
grows amazingly and is
particularly robust & healthy.

I hope your Father and
Mother are quite well.

With our united kind regards
believe me my dear Friend

very sincerely yours
Francis Smith
