

Warren Gavelly Esq

Dear Sir

I have a young English friend Mrs.
Mrs. George W. Price. whom I have known for more
than two years, and of whom I have the highest
recommendations. He is a correspondent of the
"London Times" and I have read a letter from
the Editor of that paper to him, which shows
how very highly he is esteemed as a correspondent.
He is in intimate communication with the best
sources of information - as to what is going on
here. and he desires a commission from you
to write for your paper.
I am very glad to have it in my power to recom-
mend him warmly to you, as in every way
worthy your confidence, and I hope that
the result will be to your mutual advantage.
With great respect and sincere regard,
I am truly yours,

Wm. Powers,
