Dear Mr. Peck

I have sent out
to you today by
parcel post two
parcels of books.

Will you give me
the best price you can
for these?

I am sorry to have
delayed letting you
know about these

George Sand books

or w^r you offered
\$20. But the
rest of the set is in
Kansas & I've hesitated
about accepting your
offer because of the cost
of sending them all that
way — but I hope
in a few weeks to
be in the city & I
shall bring you then
a specimen of another
set of special library
books — & then if
we could agree

on a price for these
as well, it might be
worth the expense of
getting them sent to
you from that distance.
Meanwhile will you take
good care of the George
Sand volume you
already have, so that
it isn't lost ere I
come in to see
you in the middle of
April?

With every kind of
personal good wish
I remain
yrs as heretofore
John Cowder Powys
