Dear Sir,

I am greatly obliged by your kind advice of the  
sale of Lord King's library. I had received a  
Catalogue however, some time since but found  
nothing in it relative to any part of the subject—  
— the Congress — that was not already a very ~~long~~  
hopeless. — Lord King's <sup>own</sup> great work I am puffed  
has in three years since.

Believe me to be  
Yours truly

Wm. L. Prescott
