

Commissioner of Works

85

9 Aug. 89

My dear Sir

Mr. Roe has pro-
posed to ask the First
Commissioner today
"when the scaffolding,
workshops, and stone-
cutting machinery, which
have so long disfigured

Westminster Abbey, will
be taken every" -

This of course does
not concern the First
Commissioner, but he
would be happy to give
on behalf of the Chapter,
any information that

Sir Hen. Wm. Prowse
Chairman, In. Res. 1899-1907

they may be willing to
afford.

Yrs faithfully
H. W. Prowse

The Rev.

The Canon in Residence
Westminster Abbey.
