

Barry Cornwall

Barry Cornwall 6 32 Weymouth Street
Portland Place W
1 June 1863

Dear Sir

My wife visits on sending you some of my
extract verses. I am afraid that some of them are so
extract, that they have not even their Ghosts to
recommend them. I believe my only excuse for
presenting to you being troubled with the book,
is that I have a proper respect for your great
Italian poet (whom you so well illuminate) & for
your friend Browning, for whom I have a great love.

Yours sincerely

B. W. Procter
