My dear Bannor

It would have given us
all, the greatest pleasure to
come down to Tillingbourne
on Saturday - but - Effie
who is staying with her
husband here - is not
well & I have to go tomorrow
down to Newmarket to
do the great horse St Simon
& only to return late on
Friday

next - It must be quite
lovely now in your little
Paradise -

Judge & jury meet here
today near the Wellington
I wonder what they will
take best - or least
With kindest regards to Mrs
Dormer & best thanks

Yours very sincerely
J. Boehm
