Dear Mr. North:--

I have reported to Messrs. Methuen that you are in direct correspondence with Mr. Lucas in regard to the Lamb material. With his fuller knowledge of the material, he is in a better position than I could be to arrive at a satisfactory arrangement with you, and to decide whether what you are willing to supply for the amount specified, \$100., will be for the purposes of his set worth that amount. The matter seems to involve certain technicalities that are not clear to ~~him~~ *ML*.

Trusting that you may arrive at

some satisfactory arrangement with
Mr. Lucas, I am

Yours very truly,

G. P. Putnam
