SAVIN HILL
RIDGEFIELD, CONN.

I am so sorry. I would have
greatly liked to have
addressed you at the museum.

But I cannot get north so
soon as April 12. — Had

your address some time — I would
have run up to N.Y. on purpose —

to see my lumber just

then — & I cannot do away

with P's — arrangements

I think I would interest you all

seeing me
