A. 11. The Albany
Jan. 25 - 1856.

My dear Sir

In reply to your
note of the 23rd, I beg to
acquaint you that the
book from which I read
and cannot at present
of taking the Behistun
casts, was the "Archaeologia"
for 1851 - The notices
which I have published
in the Journal of the Royal
Asiatic Society on the

Amicinal Inscriptions
are too numerous to re-
fer to one by one -

They commenced in Vol.
X - 1846, and have been
continued at intervals
ever since -

None of my lectures,
delivered since I returned
to England either in
London or at other places,
have yet appeared in
print, my reason for

thus keeping them back
being that I am writing
a separate work on the
subject, of which I do not
wish to pre-empt the au-
thority - The said work
will I trust be ready
for publication during
the Spring -

Yours faithfully
H. W. Linnæus
