

My dear Mrs Drew.

Here is a little sketch!

I am getting on with the Memorial; and in a few weeks probably in 3 I shall ask you all to come and see it.

There are 6 reliefs on the Tomb, & figures in bronze in niches, an Angel, a crucifix and the two figures.

I hope it may prove to be my "Magnum Opus." In a few days I shall order the marbles and in a year from now I hope it will be quite completed.

I am always,
