

EDWARD BOK
INDEPENDENCE SQUARE
PHILADELPHIA

October twentieth
Nineteen hundred
and sixteen

Dear Ernest :

That is a mighty inviting
little scheme, and Mrs. Bok and
I will fall in with it with pleas-
ure. We hope to be in New York
around November first, and I will
let you know a little later, in ad-
vance, the definite date, when we
can get together. It is a bully

idea of yours, and I know we would
have a good time.

Always sincerely yours,

Edward Bok
