My dear Sir

I have entirely excluded  
public business of the kind  
your committee wish me  
to undertake - nor - at any time  
of my life - would I consent  
to give prizes - which I hold  
to be mischievous stimulants  
of vulgar power. Also - if  
your committee will advise,  
copy of my *Law of Felo*  
for their schools, and read  
the preface of it at their  
meeting

— etc.  
— 42

it will explain any especial  
reason for not going in any  
of the beatifications of  
students trained under the  
Kewington system.

Believe me always  
faithfully yours

V. R. Swettenham

Walter de Boreley

Please thank Mr Boreley for  
his obliging note
