

Sir George Russell Bt.

March 10. 1790

18, WILTON STREET, S.W.

My dear Sir Peter

Last Saturday's
Spectator contains a
notice of Talbot's life,
written by me, and
published by Miss
Talbot's permission.

Body referred to the
book in his sermon

at St. Paul's, Westminster,
last Sunday.

The interest and sympathy
which your narrative
has aroused in all who
read it may, I hope,
induce Miss Talbot to
consent to publication.
Someday,

When you are in London,

I should like to show

you a paper which I
published in one of the
magazines on the history
of St. Albans, Halborn.

Truly yours

Wm Russell
