

MS 2020
Appleton & Co

write me that they have found
or will send to your care - volumes
2-3-4-5-6 of their Cyclopaedia
to fill up my set as I have received
only vols 1 & 8 and they intended
that I shall ^{have} the entire set as a
compliment or acknowledgment

Have any of these volumes
come for me - if so please
detour them to Robert Park
the bearer
yours truly
