Sub-marine, Masonry, Water Works, Dams, &c.
16 & 18 Exchange Place.

Water Works Securities.

CABLE "APPLIANCE."

New York, Feb 28 1893

My dear Mr. Maxwell.

I have just returned and
just got your kind letter.

I wish I could do what
you want but it is impossible for me to write
another line for anybody until I get through
the mass of work I have already promised.

Thank you though at the same.

Yours truly

F. Hopkins Smith
