My dear Fielder,

I am really ashamed to  
trouble you so much about my matters  
but I have this morning received  
another of those infernal summons,  
for the Grand Jury. Can any thing  
be done about it? They seem to  
have made a dead set at me, this  
is the second within a few months  
I have had to serve.

in haste

Yours ever truly

Stanhill
