Mancure?

My dear Mr Robinson

I beg to thank you sincerely for your most kind letter. The fact is that I have but a very few days to spend in New York before my departure, from the last day of this month to the 6th of November & of these days I am unwilling to dispose except with the concurrence of my kind friend & host, Mr Cyrus Field. Two days, I fear, are pre-empted, a breakfast at the Century Club on the 1st & at a clerical sitting on the 2nd. Any other arrangement that Mr Field may think possible is open to me, provided that it leaves me out in the daylight to see the wonders of New York.

Yours faithfully
