My Dear Murray

In reply to your letter of
19th I beg to give my con-
-sent to the sale of the
old Episcopal Church in
Stirling, at your wish, & I
shall be glad to sign any
paper that may be necessary
to signify my consent in

a more formal manner,

I am going abroad next
week, & if such a paper
is required, perhaps you
will kindly direct that it
be sent as soon as possible.

Believe me yours very truly
