Dear Sir

I sent the proofs off in a hurry
yesterday, therefore pray send me back
that on Ytano language and also that
on other language. I intend to cut out
the extracts from Spanish authors &c
I hope they have not yet been printed, but
even if they have I should wish to make
alteration and to send out the second
edition comme il faut

Dear Sir

I sent the proofs off in a hurry yesterday, therefore pray send me back that on Gitano language and also that on the robber languages. I intend to cut out the extracts from Spanish authors, &c. I hope they have not yet been printed, but even if they have I should wish to make alterations and to send out the second edition comme il faut.
