

T. N. TALFOURD
1795-1854

Shackell Esq.
Johnson Court
New Street.

04

Mr. Talfourd presents his Compliments to Mr. Shackell
and is sorry to find that, being unexpectedly obliged to go into
Wentworth on professional business, he shall not be able this month
to comply with his obliging request of contributing to the European
Magazine; but hopes next month to be a candidate for the indulgence
of its Editor and Readers. At the same time Mr. Talfourd finds
the last number so very sensible and spirited that he is
afraid he shall cut but a poor figure in the future numbers
of the Series.

2 Wm Court Temple,
Monday Morning.
